CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Syllabus prescribed by Goa University is followed by the college. In the AY 2020-21, 4 teachers were members of Board of Studies (BoS) and Sub-Committee of BoS of Goa University.

Programme outcome and course outcome are displayed on college website. An elaborate teaching plan of every course is prepared and uploaded on ERP system. It contains pedagogy and various exercises for an effective teaching-learning and evaluation. ICT enabled classrooms with Wi-Fi connectivity ensures effective curriculum delivery. Students are given access to study material on Google Classroom and other platforms.

Students are given access to e-resources and e-books and research papers on InFLiBnet. EPWRF database is available for students. The Library and Information service department conducts training programmes for students to access the e-resources.

The practical component of the courses is taught in well equipped laboratories. The students also conduct research work in the laboratories and publish research papers in reputed National and International Journals. Also, bridge course is conducted in selected courses. There are two Intra semester examinations conducted during a semester. Question bank is provided to the students.

The student provides feedback on teaching learning and evaluation which is used for improving quality of the curriculum and teaching learning process.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Slow and advance learners are identified on the basis of marks/percentage obtained by the student at 12th standard examination. The process begins after completion of admission to respective programs. The marks data is analysed for each class and the top 20% of the students are identified as advance learners and the lowest 20% students are identified as slow learners. This data is shared with respective course teachers. For slow learners, the course teachers use following methods to bring them to a level so that they can cope up with the other students:

- Remedial classes
- Personal supervision and feedback given to the student.
- One to one explanation for difficulties in the course.
- Explanation of the concepts in local language.

For advance learners motivation and encouragement is provided to further enhance their capabilities. This includes various methods such as :

- Nominating the students for participating in the academic events and competitions organised by various institutions in the state
- Encourage the students to participate in seminars, workshops, conferences organised by the college and other institutions.
- Present and publish papers in seminars and conferences
- Encourage to take up independent internships with companies.
- Encourage peer teaching.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Assessment is divided into Intra-semester Assessment-ISA and SEE-Semester end examination. An ISA Committee is constituted to ensure the conduct of ISAs within the prescribed time schedule. It prepares timetable for ISAs which is communicated to the students. Two ISAs are conducted in the form of 1) Written Test and 2) Assignment/presentation/project etc. for each course. Additional ISA is conducted for the students who are unable to answer/attend due to representing the college in various competitions/events and also for the students who are unable to answer/attend on medical/genuine grounds. The teacher decides the structure of both the modes of ISA. The teacher ensures the completion of ISAs within the stipulated time as scheduled by the examination committee. After the assessment of ISA, the marks obtained are communicated to the students. The performance in the ISA is discussed and feedback is given to the students for necessary improvement.

Examination committee is constituted for smooth and efficient conduct of examinations. It prepares schedule of examinations for

SEE which is a part of academic calendar prepared according to the Goa university ordinance. SEE timetable and guidelines are communicated to the students through notices and college website. Examination Committee prepares the results and marksheets are issued.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The institution has Grievance Committee as per Goa University ordinance to handle examination grievances of students. After declaration of SEE results, if a student has grievance regarding marks scored in a subject, the student can apply for verification of marks with an application to principal. This application is forwarded to examination section to arrange for verification of students' marks in concerned subject. The concerned subject-teacher, in presence of Vice-Principal and applicant (student) does the verification of marks. After verification, if student is not satisfied, then student can represent the grievance in writing to Principal which is forwarded to grievance committee. The committee schedules a meeting wherein the student is called to give a hearing of the grievance. The answer-book is shown to the student and all questionwise grievances are noted. Thereafter, the committee notes the response of subject teacher. On completion of hearing from student and teacher, committee analyses the facts, prepares and submits report to principal for necessary action. In case committee recommends for re-assessment of answer book, Principal makes arrangement for re-assessment by a teacher in concerned subject from another institution. The result of re-assessment is communicated to the student. This whole process is completed in a time bound schedule.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

- Programme outcomes are designed for all the programmes running in the institution
- All the courses are well designed with specific learning outcomes/course outcomes.
- The design of courses is carried out at the level of BOS (Board Of Studies) in the concerned subject constituted by the University. However the programme outcomes, Programme specific outcomes and course outcomes for the courses are prepared at the institutional level.
- Syllabus of each course along with learning outcomes specifies the contents, and pedagogy to be followed for effective delivery of the contents.
- During the staff meetings, the principal discusses the importance of communication of syllabi along with the course outcomes to the students.
- Based on the syllabus of each course, the course teacher prepares the teaching plan by taking into consideration the course outcomes.
- During the introductory session, the course teacher gives a briefing to the students regarding the course outcomes.
- List of courses along-with the stated course outcomes is made available on the college website to make the students aware about the same.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- The institution follows direct method of analysing student performance in examination for evaluating the attainment of programme outcomes and course outcomes.
- Intra-Semester Assessment (ISA), which is a formative approach and Semester End examination (SEE) which is a summative approach, are two modes of examination.
- In ISA, different modes like surprise tests, written tests, quizzes, assignments, presentation, etc. are used to evaluate

coursewise learning outcomes of students.

- ISA constitutes 20% weightage whereas SEE has a weightage of 80%.
- Field based projects are given to students and same is used to assess the application of theory concepts in practice and to real life situations.
- The semester end examinations are conducted for all the courses to evaluate the overall attainment of the course outcome.
- Lab based assignments are used to assess the attainment of course learning outcomes through different labs namely, commerce lab, language lab, computer lab and labs in the area of pure sciences.
- Feedback from employers is sought regarding the performance of students placed in respective organization to assess the level of learning outcome of student.
- The feedback obtained from final year students and alumni is also used to evaluate the learning outcomes and the improvements required in various relevant areas of the course.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The NSS unit of Dnyanprassarak Mandal's College and Research Centre conducted three extension activities during the academic year 2020-21. The activities are the Clean India Program, Covid-19

Awareness Drive, and Blood Donation Camp. Due to the pandemic situation, the NSS unit could conduct very few activities with a smaller number of students and teachers' participation.

The activities under the Clean India Program were carried out on 30 and 31st October 2021 covering Mapusa City Bus Stand, Ghateshwar Temple premise, and Assagaovillage church and surrounding areas of the village of Assagao. A total of 106 NSS volunteers and 9 teachers participated in the program.

The NSS unit has conducted Covid-19 Awareness Drive throughout the academic year 2020-21. The volunteers prepared posters, and videos and shared them through whatsapp groups and other social media platforms. The campaign was focussing on the importance of social distancing, wearing mask, sanitization and vaccination.

The blood donation camp was organised on 18th Nov 2021 in collaboration with Blood Bank, Goa Medical College(GMC), Bambolim. A total of 30 volunteers donated their blood during the camp.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Every year, a students' council is elected,headed by the General Secretary, assisted by Ladies Representative, Sports Secretary, Cultural Secretary, Secretaries of associations and Division

representatives.

Through the organization of activities such as patriotic song singing competition, road - safety awareness programmes, fun-week and an inter-collegiate event, the council leads the way for the student community on the campus to aspire to become active on varied co-curricular and extra-curricular fronts.

The cultural association facilitates growth of the students through organization of activities like the inter class and inter collegiate Ghumot aarti competition and workshop related to theatre and personality development. Other cells, associations, departments have been infusing leadership skills amongst the students through various workshops and activities.

The General Secretary and Ladies Representative are the members of Internal Complaints Committee, Anti-Ragging Committee and the Students' Grievance Committee and take part in the affairs of student welfare. The Gender Champion Club provides a platform for students to participate in issues related to gender equity and sensitization. Each year, a girl and a boy student are nominated as the gender champion for that academic year and they are responsible to create awareness - based activities related to various gender related issues.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The college, over the years, has developed a strong connect with its alumni. The institution has an active alumni association which is officially registered under the Societies Registration Act, 1860. Dnyanprassarak Mandal's College Alumni Association, along with the other active counterparts has been organizing events related to various aspects of the institution.

The prime objective of the association is to promote connect and communication amongst members of the Association and between the Association and other academic bodies/organisations and to provide a forum for the members of the Association for exchange of experience, information and views.

As the association is formally registered under the Societies Registration Act, an annual financial audit is carried out which brings a sense of uniformity and transparency in the system.

The alumni of the institution are well-known and well-placed names in the areas of administration, entrepreneurship, education, and social work. Many alumni have established themselves as Chartered Accountants and Entrepreneurs and they actively contribute to the welfare of the institution through their expertise.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college has constituted 31 Committees to ensure decentralization and participative management.

A Case Study of decentralization & participative management

Background: The college has formed committees to conduct programmes and to ensure smooth functioning of academic and extension processes. However, the IQAC of the college decided to form micro quality circles for quality improvement. Micro quality circles formed in the areas of Green Audit, IT infrastructure and Learning Management system and feedback system. The circles conducted meetings to find solutions to existing problems and also suggest measures to improve overall quality.

Outcomes :

Micro quality circles gave following suggestions:

1. Replace existing traditional lamps in a phased manner with LED.
2. Installation of more solar panels
3. Installation of sensors in the class to save power
4. Installation of more surveillance cameras
5. Installation of more Interactive Panels

6. Increase in internet bandwidth

7. Deployment of full fledged exam module

8. Each Head of Department should give consolidated report for quality improvement on feedback taken by teachers from students

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institutional Strategic/Perspective Plan (2021-25) was prepared by IQAC and approved by Management. The Plan provides contours of future development of the College in terms of infrastructure, research, starting job-oriented PG course, student support etc.

The key feature of the plan includes following new initiatives

1. Implementation of NEP 2020

2. Outreach activities in the villages adopted under Unnat Bharat Abhiyan.

3. Starting a full-fledged incubation and innovation centre.

4. Setting up studio for creating e-content

5. Setting up Skill Development Centre.

6. Constitution of Micro Quality Circles for improving quality of teaching, learning and evaluation.

One activity implemented based on strategic plan.

The college started a job oriented M.Sc. (Environmental Science) programme in September 2021 on self finance basis. The College is a

pioneering institute in offering the programme in the State of Goa .The syllabus is drafted in consultation with the experts from Industry, Environmentalist and Academicians in view of availability of jobs.

Even during pandemic, 31 students were admitted for this programme, which has sanctioned strength of 30. The university permits to take 10 percent additional seats. The college has well-equipped laboratories, STP, vermicomposting unit and solid waste management project to supplement teaching and practical work.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

In tune with its vision and mission policy, the College started MSc in Pharmaceutical Chemistry in the year 2009. With numerous pharmaceutical industries in Goa, there was high demand for skilled manpower with the knowledge of pharmaceutical chemistry.

The chemistry department of the college realised the potential for employment in pharma industry and with the suggestions of industry experts started a Diploma course to fulfil the need which was then converted as Post Graduate program M.Sc. in Pharmaceutical Chemistry.

For the last 12 years, the demand surpasses the total number of seats. The program promises 100% placement in the pharma industry. The students are employed in multinational companies and are also into research. 3 students have secured the gold medal at the university level for securing the highest marks.

The students learn pharmaceutical manufacturing, analysis and pharmaceutical statistics and are easily recruited. With the success of the program, the companies have donated over Rs.40 Lacs under CSR funding to create state of the art research facilities.

The students have received awards for presenting papers in symposiums/competitions. Top-quality research is published in high impact factor journals. The college has MoUs with premier institutes of research for collaborative research in Pharmaceutical Chemistry.
