It has also responded to all the DVV clarifications sought by NAAC DVV team. Though, the DVV team has considered our clarifications regarding a few matrices, it has not given any reason for rejecting the claims of the college in some criteria. However, the college is prepared for the scheduled visit of the Peer Team of NAAC during its fourth cycle of accreditation in December 2021. While gearing up for the visit, the Principal, IQAC Co-ordinator, all the Department and Cell/Association/Units Heads gave presentations about the activities conducted during the assessment period of 5 years before a Mock Peer Team comprising of experts in the field of education. The Mock Peer Team members have given valuable inputs to present the data of activities before the NAAC Peer Team members.

The Principal said that the feedback from campus placement agencies suggests that some of the students are lacking in requisite skills for employing them. Hence, it is proposed to provide internship to the students by framing a policy and signing MoUs with the Corporate, NGOs, Professionals and Government agencies. He said that students in B.B.A., B.Com. and M.Com programmes are provided internship but now it is proposed to provide it across all the programmes by identifying the gaps in the skills and providing internship that will help the students to get placed for a job. All the departments will be instructed to sign at least one MoU for internship of the students. Dr. Rajesh Pednekar said that many

companies are providing paid internship for students and such internships should be provided to the post graduate students of the college. Dr. R. V. Gaonkar suggested that the college should focus on internship in the field of Data Analysis.

The faculty exchange programmes are the need of the hour as it will not only enhance the reputation of the college, but it would give the teachers a wide exposure. It will also in turn help the students.

Signing of Memorandum of Understanding with premier research and academic institutions will help the college in the long run. In this regard, the responsibility will be given to the senior teachers to identify the institutes for the tie-up, the Principal said.

AGENDUM 5:

Any other matter with the permission of the chair:
