

ABOUT DEPARTMENT OF GEOLOGY

The Department of Geology at Dnyanprassarak Mandal's College and Research Centre, established in 2019, is one of the youngest departments of the college.

It houses a well-maintained museum showcasing an excellent collection of fossils, minerals, and rock specimens, along with advanced instruments such as a polarizing microscope with projection facilities. The college has also signed MoUs with reputed organizations across India, strengthening academic and research collaborations.

The department is actively engaged in National-level research projects, with faculty members contributing significantly through ongoing research. It strives to achieve academic excellence and is committed to nurturing and producing skilled young geologists.

At present, the department offers B.Sc. in Geology and organizes a variety of academic and extension activities every year, including:

- Geosphere – a National-level Student Conference
- Geo-Juniors – an outreach program for Higher Secondary students
- Skill-based and certificate courses
- Guest lectures by subject and industry experts
- Geological fieldwork for hands-on learning, both within Goa and outside the state
- Internship at Industry

ABOUT COLLEGE

Dnyanprassarak Mandal's College and Research Centre, affectionately known as DMC, is a prestigious institution of higher education in Goa and consistently ranks among the best colleges in India. Established with a mission to promote the generation and dissemination of knowledge, DMC has been a beacon of educational excellence for students in North Goa. It holds the distinction of being the top-ranked college in Goa, as evidenced by its impressive NAAC accreditation score of 3.15 out of 4.00 in the 4th Cycle of accreditation.

ORGANISING COMMITTEE

INTRODUCTION

GEOCONCLAVE 2025, a two-day National Conference in Geosciences, is an academic initiative aimed at fostering scientific discussion, collaboration, and knowledge-sharing among students, teachers, researchers, professionals, and entrepreneurs in the field of geoscience. With a special focus on Goa's unique geological processes, this conference, organized with the support of the Directorate of Higher Education, Government of Goa, aims to bring together experts from diverse domains to address the region's geoscientific challenges and promote interdisciplinary research and collaboration.

All the contributory abstracts would be divided into three technical sessions revolving around one umbrella theme with a key-note lecture in each session. Poster session is being planned in such a way that everybody gets enough time to discuss each presentation.

REGISTRATION FEES

Students -UG & PG (Presenting and Participating) - ₹200/-

Research Scholars - ₹500/-

Delegates - ₹1000/-

Only Participants - ₹500/-

Registration fees include the Conference kit and meals

Accommodation is not included in the registration fees.

DATE AND VENUE

September 26 & 27, 2025

Conference Hall, Dnyanprassarak Mandals College and Research Centre, Assagao, Goa

THEMES

Theme 1: Geology & Earth Science Studies in Goa

(Structural & Plate tectonics, Petrology, Geomorphology, Marine Geology)

Theme 2: Environmental Geoscience Studies in Goa

(Geological hazards, Climate change and Environmental Pollution, Micro-plastic studies, Resource Management)

Theme 3: Applied Geoscience Studies in Goa
(Hydrogeology, Geotechnical Engineering, Mineral Exploration, GIS, Drone and Remote Sensing, AI and Machine Learning, Geoscience and Society)

IMPORTANT INSTRUCTIONS

- Abstract Submission date: **17 September 2025.**
- Acceptance of Abstract date: **20 September 2025**
- A detailed schedule of the complete event will be shared separately as an abstract volume.

PAYMENT OF REGISTRATION FEES

For Online payment

Name of the Account: Dnyanprassarak

Mandal's Community Education Centre A/c

Bank Name: UCO BANK, MAPUSA

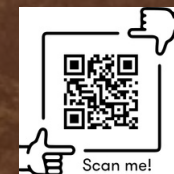

Account No: 13030110008256

IFSC Code: UCBA0001303

Kindly attach the payment receipt while submitting the registration form

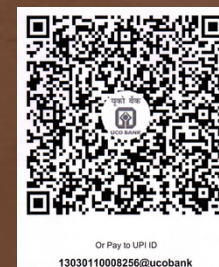

REGISTRATION AND ABSTRACT SUBMISSION

Call for Abstract: Research papers/case studies/reviews pertaining to the themes of the conference are invited from professionals, academicians, scientists and research scholars working in various fields of geological sciences and allied disciplines on the theme. The official language of the conference is English. The contributions must be original and the abstracts should be clearly presented with full title, name of author(s), affiliation(s), address and e-mail. Abstracts (~300 words), in Times New Roman Font of size 12, 1.5-line spacing, and 1-inch margins on all sides, can be sent attached to the Google form. The template for abstract submission can be downloaded using the scan.

Poster Presentation: Abstracts will also be accepted under the poster presentation category. The Poster should be prepared on B1 size (70*100cm). The display location of posters will be announced on the day of the event.
